

ATHLETE PROFILE PROGRAM

Thank you for your interest in signing up for ScoringLive's Athlete Profile (AP) program.

Integrated into ScoringLive's comprehensive statistics platform, the AP program allows you or your student athlete to include a **personalized profile** on their ScoringLive player page to highlight their interests, achievements, and aspirations both athletically and academically. The program also seamlessly deploys **video highlights** by uploading clips using the free video streaming service Vimeo.

Each profile also includes a **customized URL** (ap.scoringlive.com/username) to make the promotion of your student athletes' AP page to prospective schools, friends and family simple, as well as a **contact form** on your profile to allow coaches to directly request more information from your student athlete, easily and confidentially.

The one-time fee of \$50 per sport includes 24/7 access to an online administration appliance to allow you or your student athlete to instantly update profile information, as well as step-by-step instructions on setting up, configuring and uploading videos to the Vimeo streaming video service.

To join the ScoringLive AP program, simply fill out the application form below, include the \$50 application fee and mail to the address shown.

Upon receipt of your application and payment, a username and password will be sent to you via email along with documentation on the video linking process.

ScoringLive is pleased to offer what we think is an excellent way to further enhance and simplify the way information is distributed for student athletes to prospective colleges, and thank you again for your interest.

Feel free to contact us with any questions at 741-6185 or via email to ap@scoringlive.com.

Brien Ing
Founder/Lead Developer

Marcus Mariota threw two touchdown passes and Saint Louis teammate Judd Parker returned a fumble 30 yards for another score last night to help the East defeat the West, 21-7, in the 20th Annual Hawai'i Union Builders Goodwill Football Classic.

The game, played before an estimated crowd of about 1,500 at Kapolei Stadium, pitted senior all-stars from the O'ahu Interscholastic Association and Interscholastic League of Honolulu.

Mariota, the ILH Offensive Player of the Year, threw a 28-yard TD pass to state reception leader Eric Lum (Kaliua) midway through the first quarter and Lum's extra point gave the East a 7-0 lead. Kaliua defensive end Ethan Mahulu later recovered a fumble at the West 25 less than a minute before halftime, and Mariota immediately capitalized by running for a 7-yard gain and then throwing an 18-yard touchdown pass to Roosevelt receiver Kaijo Pale.
